

Citation (Prof. Dr. Abdul Sattar Larik)

Dr. Abdul Sattar Larik received his B.E (Electrical) degree in 1999, M.E (Electrical Power Engg.) in 2005 from Mehran University of Engineering & Technology Jamshoro. In June 2009 he was awarded with Ph.D. in Power Electronics and Control Engineering under the Indigenous Ph.D. Program, He has been involved in teaching a number of courses both at undergraduate and postgraduate in the department of Electrical Engineering for last nineteen years.

Dr Larik remained the Chairman of the Department of Electrical Engineering for 7 years (2011 to 2018).

Currently he is working as Senior Professor, Department of Electrical Engineering.

At present his research interest in the area of Modeling and Simulation of Power Electronics Converters, Sliding Mode Controller, FACTS and Power Quality.

Dr. Larik got the “Authors Shield” awarded by Governor Sindh & Chancellor, Mehran University of Engineering & Technology on the occasion of 9th Convocation of the University (2006).

Born in a village of Chhajra Dr. Larik received his primary education in his native village. He passed his bachelor’s degree in Electrical Engineering obtaining First Class SECOND Position from Mehran University of Engineering & Technology, Jamshoro in 1999. He was appointed as Demonstrator in Mehran University of Engineering & Technology, Jamshoro. Upon completing Ph.D degree Dr. Larik was promoted to the post of Professor in 2012.

Dr. Larik has more than 40 research papers at national and international level and is main author/co-author of more than a dozen books: “Power Electronics & Application”, Power Electronics, Digital Electronics & Fuzzy Logic, Microprocessor Systems, Applied Electronics, Basic Electrical Engineering and Electronic Devices & Circuits.

He is quite active on professional forums as is evident from the fact that he is Life Member, Pakistan Engineering Council (PEC), IEEEEP Membership No. M-1094 and is selected in WHO’s WHO in Pakistan 2011 published in Registration No.VOL-II/2011/119-MN by South Asia Publication.
