

Dr. Amir Mahmood Soomro received his B.E. and M.E. degrees in Electrical Engineering from Mehran University Engineering and Technology, Jamshoro, in 2006 and 2010, respectively. He joined the faculty of Electrical, Electronics and Computer System Engineering (FEECE), Mehran University of Engineering and Technology (MUET), Jamshoro as a Lecturer, in March 2006. He has been involved in teaching a number of courses both at undergraduate and postgraduate level in the department of Electrical Engineering. He has also served as ISO coordinator along with his teaching activities. In September 2010, he was awarded the Chinese Scholarship Council's (CSC) scholarship to pursue his PhD degree in School of Automation, Beijing Institute of Technology, P. R. China.

Recently, he has joined Department of Electrical Engineering as Assistant Professor. He is the member of Pakistan Engineering Council (PEC) and International Association for Engineers (IAENG). His research interest areas are Renewable Energy Sources, Power Electronic Converters and Control Engineering.

Dr. Amir has 18 research publications at his credit, out of which 13 research papers were published in international journals and 5 research papers in international conference proceedings. At present the impact factor of his research publications is 9.1. Furthermore, he has attended number of international conferences in different countries. He has served as a reviewer in various international research journals and conferences.

In addition to the Electrical Engineering, he has got internationally recognized Health, Safety and Environment (HSE) certifications and qualifications form USA and UK based institutes and boards. He has completed OSHA - Occupational Safety & Health Administration, USA based certification, NEBOSH - National Examination Board of Occupational Safety & Health's International General Certificate and IOSH - Institute of Occupational Safety & Health's Managing Safely Certificate, UK based qualifications. Dr. Amir has honor to get distinction in all HSE certifications and qualifications.

Message: Work hard in silence, let success make the noise.
