

5TH INTERNATIONAL CONFERENCE ON

“Energy, Environment and Sustainable Development” (EESD-18)

November 14-16, 2018

<http://eesd.muett.edu.pk>

VENUE

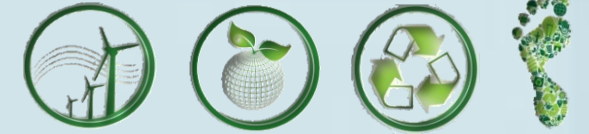

USPCAS-W Auditorium,
MUET, Jamshoro

The 5th International Conference on Energy, Environment and Sustainable Development (EESD-2018) is the continual sequel of the previous EESD conferences organized by the Energy and Environmental Engineering Research Group (EEERG) in collaboration of various Departments at Mehran University of Engineering and Technology Jamshoro.

The conference aims to provide a platform for researchers, engineers, scientists and academicians as well as industrial professionals from all over the world to present their research contribution and development activities in the energy sector. EESD-2018 provides opportunities for the delegates to exchange new ideas and application experiences face to face, to establish business or research relations and to find global partners for future collaboration.

The EESD-2018 conference offers a track of quality R&D updates from key experts and provides an opportunity in bringing in the new and novel techniques and possibilities that will contribute to Energy, Environment and Sustainable Development in future. EESD-2018 conference is tailored for everyone to meet face-to-face and discuss a wide spectrum of recent research trends and developments in the emerging technologies in the market whilst keeping in mind the industrial objective of sustainable development growth for Asia.

Guest speakers representing various countries and inter-governmental organizations, practicing consultants, commercial catalysts from the region will speak on a range of topical issues of Energy and Environment and future prospects. All accepted conference papers orally presented following registration shall be published in conference proceedings.

CONFERENCE SCHEDULE

Abstract Submission	Aug 15 th , 2018
Abstract Acceptance	Aug 22 nd , 2018
Full Paper Submission	Sep 10 th , 2018
Full Paper Acceptance	Sep 25 th , 2018

REGISTRATION FEES

Category	Local (PKR)	Foreign (USD)
Student	3000	300
National	4000	-
International	-	350

FOR QUERIES

PROF. DR. SHAHEEN AZIZ

Conference Chair

shaheen.shaikh@faculty.muett.edu.pk

Tel: (022) 2771275 | Ext: 4411

DR. SHEERAZ AHMED MEMON

Conference Secretary

sheerazahmed.memon@faculty.muett.edu.pk

Tel: (022) 2771275 | Ext: 7303

CONFERENCE THEME

- ❖ Energy Conservation & Management
- ❖ Energy Conversion & Storage
- ❖ Energy Policy & Planning
- ❖ Energy Transmission, Distribution and Utilization
- ❖ Smart Energy Systems
- ❖ Energy System Modeling
- ❖ Renewable and Emerging Technologies
- ❖ Environmental Pollution & Control
- ❖ Water & Wastewater Treatment
- ❖ Sustainable Water Emerging Technologies
- ❖ Clean water & Sanitation
- ❖ Low carbon technologies
- ❖ Municipal and industrial waste management
- ❖ Waste to energy techniques
- ❖ Biomass Resource Utilization
- ❖ Climate Change
- ❖ Air quality monitoring and management
- ❖ Green Innovation and Entrepreneurship
- ❖ SDGs initiative in energy and environment
- ❖ Sustainable infrastructure and urban resilient System
- ❖ Eco-friendly development through Belt Road Initiative
- ❖ Initiative in Energy & Environment transition through CPEC

KEYNOTE SPEAKERS

PROF. AKHTAR KALAM
Professor & Discipline
leader, Victoria University
Engineering, Australia

ARVEA MARIENI
Strategic Advisor,
Innovation Manager,
Entrepreneur
Hamburg Area, Germany

PROF. SHAZIM MEMON
Assistant Professor
Department of Civil Engg.
Nazarbayev University
Kazakhstan

DR. CHANGSHENG PENG
College of Environmental
Science and Engineering,
Ocean University of China,

CHANG-HEE LEE
Myongji University
Dept: of Environmental
Engineering and Energy,
Korea

PROF. DR. JENNIFER MCKAY
Professor
University of South Australia

Organized By

Energy & Environmental Engineering Research Group (EEERG)
Mehran University of Engineering and Technology, Jamshoro, Pakistan
